Explore Outdoors- Cooking Sessions

A big thank you to Explore Outdoor who came to lead outdoor cooking sessions with some of our families this week! It was wonderful to smell the culinary delights wafting through school and to see everyone tuck into their delicious creations!

We really hope that Explore Outdoor will visit us again to enable even more families to take part!
We definitely have some budding chefs in school!

News from Mole Class

This week may be shorter than normal, but Moles have been working harder than ever! In Literacy we have been writing letters to Charlotte and Sandra in the kitchen. These have been inspired by our class text. 'There's and Rang-Tan in my bedroom" by James Sellick and Frann Preston-Gannon. In our letters, we asked for help to reduce the amount of palm oil we have in the ingredients used for school dinners and today we carefully edited them. In Maths, Year 1s have been learning about fractions, and have enjoyed finding quarters of shapes! Year 2s have been exploring capacity and volume, using rice to explore the different capacities of different containers, and water to measure the volume in millilitres.

Good Luck Otter Class!

Otter Class, you are incredible!!!

You are singers, actors, dancers, footballers, cheerleaders, artists, peacemakers, animal lovers, gardeners and swimmers - to name just a few.

These SATs are just 4 days out of your incredible primary education - where you all have so much to feel proud of!

We know you will just sparkle and shine next week!

We've seen your resilience, patience, encouragement and focus and could not be prouder!

YOU Can
Do THIS

Fearfully & Wonderfully Made Day - Asthma

Did you know it was World Asthma Day on Tuesday 7th May? We had a Fearfully & Wonderfully Made themed Collective Worship on Wednesday and the children learned all about asthma. We talked about what asthma is, what things can trigger asthma attacks and how medication and inhalers work and can help people with asthma.

We also watched a really informative video that showed us what our lungs are like and how our respiratory system works. The children listened really well and hopefully learned lots.

We explained to the children that we have two members of staff who are 'Asthma Champions' at Barnham - Mrs King and Miss Bacon and so if you have any questions about asthma, please don't hesitate to speak to one of them.

Please may we take this opportunity to remind you to ensure that if your child has asthma and uses an inhaler that they have an inhaler in school and that you have filled out an asthma care plan to ensure we all know how best to support your child.

Our Value is Humility

This week, our big question has been:

Has someone shown humility to you before, how did this make you feel?

On Tuesday, Mr Holman led Collective Worship and told us all about a rather special D-Day Anniversary that is coming up in June. Watch this space, we'll be creating some special art work to commemorate this.

Our thanks to Vicar Cat for leading Collective Worship on Thursday, it's always good to hear from you and we will miss you greatly when you move on to pastures new. Cat shared the story of Jesus going back to heaven with us, rather apt as it was Ascension Day. Did you know that Horse Chestnut trees can be nicknames 'Ascension Trees' because their flowers point upwards to heaven?

Our Humility Bible Verse - Philippians 2 v 3

Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves.

Messages from FOBS

Please see the posters above for some exciting FOBS events coming soon!
Hopefully you've all received your sponsor forms for the Colour Run.

We'd also love your help with collecting milk bottle lids for the tombola, please could these be handed in to a member of FOBS or posted in the letterbox.

FOBS would also like to ask parents for any unwanted toys that they could use as prizes at Kidsfest, things such as McDonald's happy meal toys etc. We did a Toy Amnesty last year and it saved so much money and helped the environment by recycling!

Please collect and hand in to a member of FOBS, they will be very grateful indeed!

Thank you for your ongoing support of our school and your hard work and commitment FOBS!

Attendance Matters

Our whole school attendance rate for this week was **95.4%**

Can we reach 96% next week?

The yearly attendance totals for each year group are below!

Well Done Year 1 and Year 6!!

Reception	95.3%
Year 1	96.9%
Year 2	95.5%
Year 3	95.6%
Year 4	95.9%
Year 5	95.3%
Year 6	96.6%

Lunch Menu for Next Week

Monday 13th May	Tuesday 14th May	Wednesday 15th May	Thursday 16th May	Friday 17th May

Wednesday 26th June - CONNECT Coffee Morning for SEND Families
Wednesday 3rd- Friday 5th July - Year 6 Residential
Friday 19th July - Last day of term

OUR SCHOOL BIBLE VERSES:

"But blessed is the one who trusts in the Lord,
 whose confidence is in him.
 They will be like a tree planted by the water
 that sends out its roots by the stream.
 It does not fear when heat comes;
 its leaves are always green.
 It has no worries in a year of drought
 and never fails to bear fruit."
 Jeremiah 17:7-8

Jesus said 'I am the vine; you
 are the branches.
 Those who abide in my and I in
 them, will bear much fruit.'
 John 15:5
