

WE INSPIRE, CHERISH AND BELIEVE
IN EACH PERSON THAT THEY MIGHT FLOURISH
AND FULFIL THEIR POTENTIAL

Hedgehog Change Agents

This week, Hedgehog Class filled their Change Agents class jar. Hedgehogs have been working incredibly hard on making a difference in the world and the lives of others from picking up litter to sharing with their siblings. To celebrate the filling of the jar, Hedgehogs made bird feeders to feed the birds in this cold weather - this was their Change Agent vote.

Squirrels' Biomes Exhibition

Squirrel Class have been extremely busy researching different biomes in Geography and have brought their research to life with their 3D biome in a box creations.

We would like to invite all Squirrel Class parents to our Biomes Exhibition on Friday 26th January between 3pm and 3:15pm.

Please enter through the main office.

Sight and Hearing Tests

Has your child had their sight and hearing tested recently?

We can not stress the importance of this especially regular eye-tests for overall health not just sight.

Please check and if due, book an appointment for your child outside of school times where possible.

Attendance Matters!

Whoop. whoop!! Last week was a fantastic week for attendance across the school!

We smashed it! Can we do it next week?

If we can do it in the cold January months, the Spring will feel like a breeze!

School gates open at 8.45am and close at 8.55am

Children are expected to be in their classroom by 8.55am

Our Value is Truth

We continued our work on the value of Truth this week.

We have enjoyed exploring this BIG QUESTION, perhaps you'd like to continue talking about this at home:

Sometimes we are tempted to lie to get out of trouble or make ourselves look better. Why is it important to tell the truth?

We started the week with a Collective Worship on the theme of Courageous Advocacy as part of Martin Luther King Day. We've had Family Worship this week too in our Circle Time Coloured Groups.

We were so grateful to Susie Bratby for leading our Collective Worship and getting us to think about 3 statements and picking out 2 truth and 1 lie.

Susie is running some Active RE lessons at the moment with Mole Class during their PE session on a Monday.

We will share some photos of this soon.

She is also running an after-school girls football club for KS2 on a Monday. She'd love to see some more girls getting involved with this, please do phone the school office to find out more if your child would like to join in.

Our Truth Bible Verse - John 8 v 31-32:

Jesus said, "If you hold to my teaching; you are really my disciples. Then you will know the truth and the truth will set you free."

Friday 29th March - Thursday 11th April 2024 Easter Holidays

Friday 12th April - PD Day

Monday 15th April - Children return to school

OUR SCHOOL BIBLE VERSES:

"But blessed is the one who trusts in the Lord,
whose confidence is in him.

They will be like a tree planted by the water
that sends out its roots by the stream.

It does not fear when heat comes;
its leaves are always green.

It has no worries in a year of drought
and never fails to bear fruit."

Jeremiah 17:7-8

Jesus said 'I am the vine; you
are the branches.

Those who abide in my and I in
them, will bear much fruit.'

John 15:5
