

**WE INSPIRE, CHERISH AND BELIEVE  
IN EACH PERSON THAT THEY MIGHT FLOURISH  
AND FULFIL THEIR POTENTIAL**

It has been another fabulous week in school. Each classroom has been filled with a real learning buzz!

We know children are a little tired this week, please do not worry it is the first full week of the new school year!

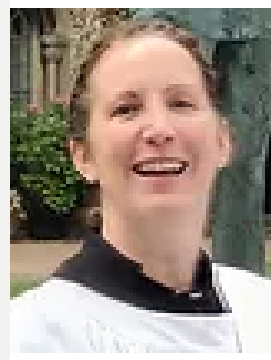

This is completely normal - for children and staff!

## *Generosity*

We've continued to explore our value of Generosity in Collective Worship this week. The children loved learning a new song called 'Our God's generous'. We had a visit from Captain Diane and Rev. Cat. We always love having visitors to Collective Worship.

We would love to hear of any examples of your child being generous at home!

This could be being generous with their time or actions!

On Monday the children heard all about how staff had been generous at home last weekend!

## *Becoming a lifelong reader!*

books are uniquely  
portable magic.

- STEPHEN KING

We know that reading is the gateway into the world!

Reading with your child at home is an incredibly important way to support their learning. Reading books together, reading to your child, hearing them read, discussing stories, poems and non-fiction texts are all ways to help your child develop into an able and accomplished reader and writer.

This week, every child has brought home a reading record.

Please write in their reading record every time you, or anyone else has read with them, it can be reading anything - not just a school book! . Older children are also able to write in their reading records themselves when they have read independently.

We are looking forward to seeing each child's unique reading journey!

Your child's class teacher can be contacted by email.  
Email addresses are on each class page on our website
