The Great Fire of London

In our History lessons, Moles have been learning about The Great Fire of London. They learnt about Samuel Pepys and his diary, which was an important way to learn about the events that took place. Interestingly, Samuel Pepys buried his prized possessions to keep them safe from the fire.....his wine and cheese!!!! On the 7th of December, Moles copied Samuel Pepys and buried pieces cheese, wrapping them in 5 different materials to see which ones would be waterproof and worm proof! Only cloth existed during 1666, so Moles were excited to see how safe Samuel Pepys' cheese would have been. This week Moles dug up their cheese and found that plastic was the best material as it is waterproof and strong enough to stop worms from having a nibble. The cloth and tissue paper were the worst materials to use as the cheese was mouldy and smelt disgusting! Poor Samuel Pepys!

Lateness

Following a visit from our Education Welfare Officer yesterday, we are now required to code any children arriving to school late as unauthorised.

Gates open at **8.45am** and we encourage you to be at school as close to this as possible.

Early morning work starts in class straight away.

Gates close at **8.55am** and pupils are required to come to the front office after this time to sign their child into school.

Breakfast and Afterschool Club

If you would like your child to attend Breakfast Club and/or Afterschool Club, and your child does not regularly attend certain days, then you **MUST** contact the school to book them in.

We have a limited number of spaces and in both clubs and it is very possible that you will be turned away or asked to collect your child if numbers if we are not within our child to adult ratio limits.

You can contact the school via telephone or email admin@barnham.suffolk.sch.uk

Toys

Please can we ask that your child **does not** bring any items in from home. We are seeing a concerning number of toys, blankets, objects, pencil cases etc. We have all the equipment that children need in school, they do not need to bring in their own pens / pencils; this causes disruption and difficulties in class. If your child requires any specific equipment this would have been discussed, planned and agreed in advance with your child's class teacher and/or the SEND team.

Car Parking

Please do not use the school front car park to drop your child/ren off at school. The only exceptions are if it has been pre-arranged with school, a pass has been issued on medical grounds or for Breakfast Club. Please use the Village Hall car park for parking.
