Children in Need

Today, children and staff came to school wearing spots / stripes and colours to support Children in Need. Thank you for all of your donations to support this amazing charity. So far, we have raised £160!

Coats

Please make sure that your child comes to school in a sensible coat as the weather is getting colder and unpredictable. The children still go out to play even if it is raining!

Diary Dates

Year 6 Sugar Beet Trip

This week Otters have been extremely lucky because Matthew Hawthorne asked them to carry out a mini investigation that will support him with his farming. Matthew wanted to know the estimated yield of sugar beet, so that he could pass this information on to British Sugar. He took us to four different fields where the children had to measure the weight of six sugar beet (in kilograms); they had to complete this task for three different samples.

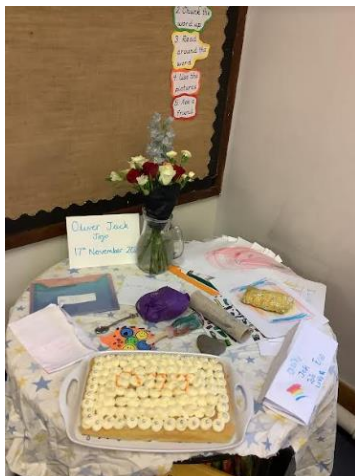

Once this information was gathered, we went back to the classroom to work out the mean average weight of sugar beet in the four different fields. Then finally, to calculate the yield for each field, the children had to multiply the weight by 86000 (because this is roughly how many sugar beet have grown out of the 110000 planted).

It may have been a wet and cold trip but the children had so much fun!

Moles' Christening

On Thursday, Moles were all invited to the christening of baby Oliver Jack Jojo. The parents were so happy to have him christened by Vicar Cat and the godparents were proud to be by their side. The guests all looked amazing in their best clothes and they all enjoyed the after party, where they celebrated with cake!

Young Carers

WHAT IS A YOUNG CARER (YC) or YOUNG ADULT CARER (YAC)?

Young carer - a young person, who is caring for or emotionally affected by a family member who has a physical or mental illness, disability or misuses drugs or alcohol

Sibling carer - a young person who is affected by a brother or sister's disability, illness or additional need.

'Caring for a family member isn't always 'doing something' to help'.

"It's just me and mum at home. Carers come in twice a day but the rest of the time it's me. I love helping mum but sometimes it just feels too much"

"I had never heard of young carers until someone told me I was one. I didn't know my life was different to others"

"Sometimes my sister is violent towards me. I know it isn't her fault but it still scares me"

"By learning how to take care of Mum, I am also learning how to take care of myself"

If you would like any more information around Young Carers or accessing a Young Carers needs assessment please email for a drop in with our FSP rhonda.tasker@barnham.suffolk.gov.uk

Rhonda runs a School Young Carers club every Monday lunchtime in The Den 12.30-1pm
Please email to book a space.

Indoor Shoes

While the weather is so unpredictable and wet outdoors, the children may bring in a pair of 'indoor shoes' to school. These can be a pair of slippers, plimsolls or trainers. This will also ensure that children have dry feet throughout the day in class and we reduce the amount of mud coming in onto the carpets!
