Our amazing crown creations.

JUBILEE PARADE

Pupils at Barnham Primary paraded their crowns.

The pupils at Barnham enjoyed showcasing their amazing crown creations around the village of Barnham. Villagers lined the route to the church waving flags, cheering and clapping the children, who all felt like royalty, as the sun shone. It was lovely for the children to know that one of the spectators had herself been in London as a child at the Queens coronation!

The children were all excited to display their crowns around the village

JUBILEE SERVICE

Pupils led Jubilee Service

The children arrived at St Gregory's Church, Barnham, to lead a Platinum Jubilee service. We were welcomed to the church by many families of the school. The children led readings and prayers and they also sang the official Platinum Jubilee song - 'Rise Up and Serve'!

Beautiful decorations at church.

Arriving at church.

We were all surprised by the school's choir with a rendition of 'Isn't She Lovely', dedicated to Queen Elizabeth.

JUBILEE LUNCH

Pupils enjoyed a picnic lunch.

At lunch, the children enjoyed a picnic with their friends. The children all sat outside where they continued their jubilee celebrations, adorned in crowns and amongst the flapping Union Jack bunting.

Julie and Sandra (in the school kitchen) had beautifully baked all morning and made over 100 picnic bags for a whole school picnic.

JUBILEE WORK

Classes celebrated the Platinum Jubilee with a host of activities.

Each class have this week created some amazing pieces of art individually and as collaborative pieces to celebrate the special occasion.

Otters created a Jubilee felted tapestry and rosettes.

Foxes created a timeline of the village and miles of timeline bunting!

Squirrels wrote poetry on flags.

Badgers have created over 6 pieces of artwork! A collage, paintings inspired by Kehinde Wiley which have a focused person on the foreground and a decorative 'zentangle' backgrounds.

Moles created several large pieces of gallery style art within the silhouettes of the Queens head.

Hedgehogs have been enjoyed some queen inspired art. Some of the children's writing has been inspired by the jubilee celebrations.
