Apple Crumble & Ice Cream

Thursday

Roast Beef and Yorkshire
Pudding
Or

Quorn Fillet

Fruit Smoothie

Friday

Jumbo Fish Finger, Chips,
Peas or Beans
Or

Jacket Potato

Chocolate Brownie

It was truly wonderful to see so many parents back in the school building for parents evening last week. We are busy planning more events where you will be able to work alongside your child and events where they can share their learning with you.

We would be really grateful if you were able fill out the parent survey that was sent out via parent mail earlier this week.

It has been a super busy time in school this week we have finally been able to open our new Early Years and Key Stage One playground.

Early Years and Key Stage One Playground

Early Years and Key Stage One Playground

Ancient Greek Day!

On Thursday, Squirrel Class had a wonderful day in Ancient Greece! We had many Greek Gods and Goddesses come to school, dressed very glamorously and also some Spartan soldiers dressed in armour.

The day began learning some Greek Zorba dancing! It was tricky as the music kept getting faster and faster... Up next were some Greek art activities in preparation for the Olympic Games. This involved creating Olympic rings, medals, torches, leaf crowns and writing our names in Greek!

After lunch, the Olympic Games commenced! The opening ceremony took place first where we held our torches in the air with pride. We then performed our Greek dance, before separating into teams. Each event at the Olympics wasn't quite as expected, for example the relay involved completing a Greek Gods and Goddesses word search where the pencils were the batons. Boxing involved looking in a box of random items and having to remember what was in there. There was rhythmic gymnastics where many of the Greeks impressed us with their hula-hooping skills! We even had chariot racing to finish.

To end the eventful day, there was a Greek banquet filled with feta, olives, pita bread, tzatziki and more.

Competition Design and make an Easter Garden

We are delighted to welcome you to our end of term Easter Service, at St. Gregory's Church, Barnham on Friday 8th April 2.15pm.

We would love you to design and create your own Easter garden! These will be displayed in school, week beginning 4th April, and taken to the Church for our Easter service on Friday 8th April.

We cannot wait to see your Easter gardens!

Please send your garden into school by 9am on Monday 4th April

Polite reminder from the Village Hall

A member of the village hall committee has been in touch to ask if parents can please supervise their children whilst they are playing in the field next to the village hall.

There are sticks that are supporting a newly planted hedge; children on a regular basis are pulling these out and using these as part of their play.

This area does not belong to school; we are fortunate to have this area right next to school for children to play and parents to socialise, please can I ask you to respect this space.

We continue to share our prayer for you as the terrible situation in Ukraine sadly continues.

Dear Lord Jesus

We pray for all the people of Ukraine. We pray for the girls and boys who are frightened and worried.

We pray for Mums and Dads who are keeping them safe.

We pray for all the kind people of Poland, Hungary, Moldova, Slovakia and Romania who are looking after families who are leaving their homes.

We pray that you will protect them all from harm and give them courage.

We pray that you will give them the peace they all long for
