Summer term ends: Friday 16th July
(Professional Development days: Monday 19th & Tuesday 20th July)

Reminders

Now that the weather is hot and sunny please can you send your children in with:

Hat
Water bottle
Wearing sun cream

We still have so many children in **every** class NOT bringing a hat to school.

We cannot apply sun cream for your child, so please make sure it is a long lasting cream or they are able to reapply it themselves.

Hedgehogs' Virtual Visitor

This week, Hedgehog Class took part in a zoom with Emily Gravett, author and illustrator of one of our favourite books 'Wolf won't bite'.

We enjoyed listening to one of her stories, having a tour of her study and then we were so excited to draw our own magpies with Emily. She showed us step by step, how to draw them. After that, we had the opportunity to send in questions. Hedgehog's had so many fantastic questions about Emily's career, illustrations and book ideas! We were lucky enough for Zia's question to be read out and answered!

Zia said 'I like drawing, sometimes it goes wrong but I don't mind, I am still proud of it. What do you do if your drawings go wrong?'

Emily explained that the drawings we see in her books she has normally drawn hundreds of times before. She explained how important it was to keep trying and never give up!

Here are a few pictures of our morning with Emily Gravett 😊

BMX Workshop

This week Foxes, Squirrels and Otters were lucky enough to take part in our BMX workshop! They were flying over jumps and ramps on the field. They learnt tricks and improved their balance, super job!
