Reminders

- Please can all adults ensure they are wearing a face covering, at all times, whilst on the school grounds. This will help to protect parents, pupils and staff.
- With the weather getting warmer, can you please check that all items of uniform are named clearly? With children wanting to take jumpers and cardigans off whilst playing in the sun, we want to make sure they can be returned. This also includes sun hats and water bottles.
- We would like to remind you that homework will be set for all year groups this term. Hedgehogs and Moles can find their work on the Barnham Website. Badgers, Foxes, Squirrels and Otters will have their work set on the Google Classroom. Please Contact your child's class teacher if you have misplaced their log in details.

Adaptation in our Local Environment

Otter Class visited Euston Estate and Farm to learn more about adaptation in our local environment. The children looked at the adaptation of Red Poll cows, Suffolk Punches, deer and many species of plants. We even had time for lunch in the woods, a play among the trees and some toasted marshmallows!

If we go down to the woods today...

The Hedgehogs have been developing their vocabulary in the forest this week. They have been working super hard on writing wonderful setting descriptions when story writing. They used their five senses to think about how they could describe the things around them as if they were characters in a story.

Well done, Hedgehogs! We are looking forward to hearing some of your stories as you grow as authors.
