"Tomorrow will be a good day." - Captain Sir Tom Moore

EXCITING NEWS!

We are so pleased to announce that Mrs Clarke has had her baby! Maeva Florence was born on Thursday 28th January. Baby, mum and dad are all doing really well 😊

FEEL GOOD FRIDAY

This week, you have a special surprise arriving in the post!

We hope that it will continue to support your love of bird watching and in turn increase your time outside, breathing in the fresh air and observing the special world around us!

We can't wait to see what you create with your mini package of bird seed. Here are just a few ideas...

READING BOOKS

Our school books are lonely and would like to share their stories with you all at home.

Every day, between 9am and 2pm, a selection of our reading books will be available for you to choose for you and your child to share at home. The books will be in our quiet area, on the school playground.

A maximum of two books can be chosen at one time but you can visit our reading area as much as you like throughout the week.

Please return any books you have taken in the returns' box and sanitise your hands before selecting new books.

Happy reading!

THE BEAT GOES ON

It was fantastic to see so many of our children (and parents!) join in on our live music workshops led by Ollie, the former cast member of STOMP and a qualified music teacher on Thursday! We all had great fun creating rhythms with body parts and lots of crashing with all sorts of resources from around our houses! It put such a smile on everyone's faces at School and we hope it was the same for you at home. What a super start to our first week of 'Feel Good Friday', focusing on promoting and supporting children's wellbeing during this challenging time.
