Headteacher: Amy Arnold

8th January 2021

Dear Parents,

To say the first week of the Spring Term has been challenging for everyone, would be an understatement.

As I am sure you can appreciate we have been working swiftly under extreme pressure following the announcement on Monday evening and I am very thankful for your patience and support.

Home Learning

I am so proud of how well you have already adjusted to remote learning. Your child's class teacher has been busy uploading learning onto your child's class page on our school website. If you requested a home learning pack, due to staff availability there is a delay in having these ready for collection. These will be available from Monday 18th January. Please contact your child's class teacher if this causes a problem.

Please, please get in touch if you have **ANY** problems at all with home learning. We will be able to help and support you. If you do not have a suitable device, please let us know and we will try our very best to find a solution for you.

Keeping in Touch

As many of you know, staff have been telephoning to see how you all are and if there is anything we can support you with. As many of our staff are working remotely they will be calling you from home, the number will be displayed as 'No Caller ID' or 'Number withheld.' If you receive one of these calls it is probably school staff trying to get in contact with you. On each class page on our website, your child's teacher has posted their e-mail address, please do not hesitate to get in touch with if you have any questions or queries.

Support for you

We are here to support you in any way we can, please do get in touch if you are experiencing any difficulties at all and we will be able to support you or signpost you to someone who can. Rhonda, our family support practitioner is only an email away and can be contacted at: rtasker@barnham.org

Covid Case

I can confirm that a member of our school community tested positive for Covid this week. I can 100% reassure you that no child has been in the same room or anywhere remotely near the positive case.

Thank you again for your continued support, it is truly appreciated by our whole staff team.

Please take care and look after each other.

Warmest wishes

Amy Arnold
