ATTENDANCE

This week overall: 95.5%

Hedgehogs: 94.7%

Moles: 94%

Badgers: 98%

Foxes: 94.4%

Squirrels: 100%

Otters: 91.9%

Well Done Squirrels!

Goodbye and Good luck!

Some of you may be aware, Otters have been lucky enough to have two trainee teachers from Cambridge – Miss Garner and Miss Douthwaite. They have been an amazing asset to the school over the past five weeks and we will be very sad to see them go. However, we wish them all the best for the future and their next chapter within their teaching career.

PTA: School Lottery

Last week, the PTA school lottery was a **HUGE** success.

Last week's winner:

Ms O'Donnell (THETFORD)

Amount won: £20.70

The funds raised for the school so far: **£94.80!**

Just a reminder...

As the nights become longer and winter is drawing in, I would just like to remind you all to send your children into school with a coat, hat, scarf and gloves.

Please ensure that all items are named! 😊

PTA – Annual General Meeting

We would like to remind everyone about the PTA Annual General Meeting; this meeting will take place today (Friday 27th November) at 7pm via zoom. Please email ptabarnham@gmail.com for a meeting invite.

CALENDAR DATES

Friday 11th December: Christmas Jumper Day.

Tuesday 15th December: Surprise Christmas Panto Afternoon!!

Thursday 17th December: Christmas lunch.

Friday 18th December 2020: Last day of school.

Monday 4th January 2021: Children return to school.

What have Mole Class been learning about this week?

Moles learnt SO much in the forest last week about habitats that we wanted to continue our learning and hunt for some more local habitats. We decided to head to the forest again but this time, we had some warm apple juice with cinnamon to fuel our hunt! We found lots of insect habitat and recalled lots of the knowledge we had gained from our visit last week! A brilliant afternoon!

What have Squirrel Class been learning about this week?

In Squirrel Class, within our History lessons, we have been learning about Anderson Shelters and how they were created to protect people; they were a safe place to go when there was an air raid in WWII. When building these shelters, we were able to link our history learning with our science learning (materials and their properties). The children had to think about the materials they would use to build these structures; in turn, they had to make sure the shelters were strong, insulated and protective! Look out on the website to see the final results next week!
