ATTENDANCE

This week overall: 96.2%

Hedgehogs: 96.3%

Moles: 95.6%

Badgers: 99.3%

Foxes: 94%

Squirrels: 97.4%

Otters: 94.8%

Well Done Badgers!

A GOODBYE...

We are sad to say that Mrs Shepperson will be leaving us at Christmas. She has been a big part of our Barnham family and has worked with many of you over the years. She will be sorely missed by children, staff and parents but has new and exciting adventures awaiting her.

A WARM WELCOME...

In January, Mr Phillips will be joining our team as our new SENDCo. He will be working closely with Mrs Shepperson to ensure a smooth transition and will introduce himself to you in January.

PTA: School Lottery

Last week, the PTA school lottery was a **HUGE** success.

Last week's winner:

Mrs Smith (THETFORD)

Amount won: £20

The funds raised for the school so far: **£67.20!**

Maths Shed

Number bonds, times tables and inverse operations are all important aspects of Maths that help build up children's speed and confidence when solving other calculations within the subject. As a school, we want to improve this, so we are currently running a free trial of Maths Shed at the moment. Please give it ago and see what you think 😊

The children should be able to use their spelling shed username and login to access this.

CHRISTMAS CARDS

Due to the current circumstances surrounding Covid-19, we have decided that **no** Christmas Cards are to be brought into school from the children. We understand that some children may be disappointed in this; however, we must continue to ensure that safety is our number one priority.

Non-Uniform Day and Christmas Hampers

It's this time of year again, we will be having a **non-uniform day on Friday 27th November** in exchange for an item for the Christmas Hamper Raffle.

On this date, please could each child bring in an edible or non-edible item in the class colour listed below. Please ensure that any edible items have a best before date until at least the end of December. There will be boxes in the front playground and back field for you to place your items in.

Hampers will then be made up with the items, and raffle tickets will be on sale later this month for a chance to win one of the hampers!

Hedgehogs: **RED**
Moles: **BLUE**
Badger: **GREEN**
Foxes: **YELLOW/GOLD**
Squirrels: **PURPLE**
Otters: **PINK**

OTTERS FARM TRIP

On Thursday, Otters kick-started their Electricity topic with a visit to the AD Plant at Euston and solar panels. The children learnt about renewable energy within their local environment. They even got the chance to make their own electricity using a 1-watt generator! The children squeezed in a little play in the woods after lunch and then gathered round to hear a gruesome story from local historian, Edward Wortley.

CALENDAR DATES

Friday 27th November 2020: Non-uniform day in exchange for Christmas hamper gift

Friday 18th December 2020: Last day of school
