THANK YOU 😊

Thank you very much to all of our parents and carers for supporting: the one-way system, wearing PE kits, not bringing bags in and experimenting with different staggered timings.

We have over 200 people in our building each day and every precaution we can take will help keep us all as safe as possible.

Your children are amazing!!

Team Barnham, including our governors are just so incredibly proud of each and every child in our wonderful school.

Despite the challenges we are up against, our children have just amazed us with their resilience, determination and hard work this half term.

All of the children have just breezed through the constant handwashing and sanitising, separate bubble playtimes and lunchtimes, frequent cleaning of their desks – to name just a few changes!

The children have shown compassion towards one another, especially children who have recently joined the school and are simply full of hope for the future.

We know that there could be choppy waters ahead, we are very thankful that we have had a fabulous and positive start to Autumn 2021.

Support for all

Please know as a school we are always here to help and support **all** of our families. If you ever find yourself in need of a food parcel for your family, especially over a school holiday period please just e-mail us and we will be able to get one to you. Please never go hungry – we are here for you.

School Lottery...

There is still time to enter into our school lottery for your chance to WIN cash prizes whilst raising money for the school! A ticket costs £1 per week and all funds raised go directly to our school. Each ticket will enter you in TWO draws: A jackpot prize draw for £25,000.00; a local draw with a guaranteed prize for one of the supporters of our school. The size of the prize will depend on the number of tickets bought for the school that week. First draw one week today!! <https://www.yourschoollottery.co.uk/lottery/school/barnham-cevc-primary-school>

PLEASE REMEMBER TO LABEL ALL OF YOUR CHILD'S BELONGINGS OVER HALF TERM 😊

With a Oink Oink here and a Oink Oink there...

Hedgehog Class headed out across the fields under the beautiful Autumn sunshine to discover more about their favourite pink farmyard friends! Hedgehogs asked some fantastic questions such as 'How many piglets do they have?' The answer is 9-11! Find out more about their trip on our Farming Schools Page on our website!

Eligibility for additional support

2020 has most certainly been a challenging year, you could be entitled to additional support. If your child is entitled to Pupil Premium funding the school receives money which we use in a variety of ways, including providing teaching assistants and resources to support children's learning. As well as, providing a school meal every day, uniform and reduced costs for a variety of trips and activities.

It is always worth just filling in the eligibility checker if you think you may meet the criteria:
