Whole School: 96.6%

Hedgehogs = 98.9%

Moles = 94.7%

Badgers = 100% ☺

Foxes = 96.4%

Squirrels = 99.2%

Otters = 90.4%

Education Mental Health Practitioner

Hello everyone! My name is Sophie Sharp, I am an education mental health practitioner, completing my training at UEA. I work within the mental health support team alongside Barnham. Our team support children and young people with mild to moderate mental health difficulties, including anxiety and behavioural difficulties. We are looking forward to working collaboratively with the Barnham CEVC Primary school community, to work together towards a whole school approach to positive mental health.

If you would like to know more about our team and what we offer, please refer to Suzan Shepperson or Rhonda Tasker. If you feel your child would benefit from our support, please email MHST.West@nsft.nhs.uk.

I look forward to getting to know the Barnham students, staff and parents/carers over the coming months. Keep a look out for our upcoming competition!

FREE FLOW DROP OFF

We are now one week in to our new system of dropping off and it has been going well; the traffic of children entering the building is a steady flow. Can we ask that you don't wait on the playground in the morning before 8:50am; if you arrive earlier than this then wait in your car until the school day begins at 8:50am. This will help ensure social distancing and will mean that there is not a high number of people in once space at one time.

We would like to thank you all for your quick exit off the playground when you have dropped off / picked your child up and for not using the play park.

MOLES

Last week, Moles got a letter from the Tricky Troll. He was not happy with his old, rickety bridge so we decided to help him build a new one. We wrote letters back and then looked at different bridges all over the world. We even did a work out with Joe Wicks in front of the Golden Gate Bridge!

After carefully designing our bridges (just like real architects), we built them this week! Next week, we will be testing how strong and stable our bridges are.

INDIVIDUAL SCHOOL PHOTOS

The school photographer will be in school on Monday 12th October. Due to the current circumstances, children will only be able to have individual photographs taken during the school day; they won't be able to have a photo taken with their brother/sister unless they are twins and in the same class. There will be no pre-school sibling's photos either.
