Team Barnham, including our governors would like to say an enormous 'Welcome' to each and every one of our families. Whether you have just joined us or have been at Barnham for a while, we are just delighted to have our building filled with laughter and learning once more.

It has been just wonderful seeing all of the children's big smiles and their clear enthusiasm for school. We are so impressed with how well the children have adjusted to new routines and procedures in school; especially the frequent handwashing.

We are full of hope for the months ahead and are looking forward to working in partnership with you, ensuring that your child is happy, successful and thriving.
