ATTENDANCE

Whole School: 96.55%

This week, our top class is **SQUIRRELS** with
99.3%!

Hedgehogs = 94.85% ☹

Moles = 93%

Badgers = 97.5%

Foxes = 96.55%

Squirrels = 99.3%

Otters = 98.6%

Horsey Beach!

Otters and Squirrels topic for this term is 'Polar Pioneers', which means that the children will be learning about animals (that live in Antarctica) and their habitats as well as evolution and adaptation.

This learning focus has provided us with the perfect opportunity to visit Horsey Beach! We had the pleasure of observing (up close) seals and seal pups. The wardens filled our heads with the most amazing facts about these remarkable creatures. We now know so much about how the seals adapt and evolve within their habitat!

Cake Raffle!

We would like to say a MASSIVE thank you to Olga for baking this week's cake for the raffle; we had so much interest and; as a result, we have raised a total of £32.20! The money raised will go towards the Australian Red Cross.

The cake raffle will continue next week; the raffle tickets will go on sale on Friday morning; Year 6 children will be selling these on the playground.

Reading

Just a reminder that we are, once again, in Tesco, Thetford, where we are hoping to win the Bags for Help Competition. The money funded by Tesco will go towards new reading books and books for our school library. If you get a blue token, then support Barnham and pop it in the 'For the Love of Reading' section. Thank you!

ECO council

Mr Holman will be carrying out the first ECO council meeting next week. Our team consists of: Kasper, Kathryn and Anastasia (Otters); Max and Athena (Squirrels); Max, Toby and Kitty (Foxes); Missy and Josh (Badgers); Callum and Sophia (Moles) and Jasper and Olivia (hedgehogs.)

Caretaker and Cleaner update!

This week we have interviewed and managed to appoint a great team who will look after our school 😊

Money

Please send any loose money in a named envelope to ensure it is safely received. If you need any envelopes, then please come and speak with Mrs Cronin or Mrs Partridge.

Slippers

After our deep clean, we are trying our best to look after the flooring and carpets around the school. During the winter weather, we are allowing the children to bring in slippers to wear around the classrooms; however, they need to be sensible slippers!

Attendance

Attendance remains an exceptionally high priority for our school. The Education Welfare Officer continues to regularly visit the school to monitor attendance and absences.
